

Global eTourism Community News

Dear colleagues and friends,

I am happy to inform you about [IFITT Digital Archive](#): a **collection of materials about IFITT and its eTourism events**. As you may know, IFITT has been the first international association devoted to what is now called eTourism. For this reason, we have decided to celebrate 20 years of the association by developing [an online space](#) to feature:

- IFITT Board members from today to 1997
- ENTER eTourism Conference materials
- Materials from past IFITT-supported activities (e.g. Doctoral Summer Schools)

Would you like to **share materials/information** of interest? Let us know via email: ifitt@ifitt.org

Yours, in eTourism,
