

**Dear Colleagues and Friends,**

First of all, let me thank you for the great conversations we had at ENTER2017: it has been a very enriching and stimulating experience! For those of you who could not participate, please make sure you take time to explore all the [event materials available online](#) and the [IFITT Report 2016](#).

We are already busy organizing **ENTER2018**, taking place on Jan 23-26 in Jönköping, Sweden. Info about the even will be available on the website [www.enter2018.org](http://www.enter2018.org) in the following months. Check it, save the date, and send a great contribution!

In the meanwhile, the board has welcomed four [new members and co-opted members](#):

- Lidija Lalicic, IFITT Next Generation
- Wolfram Höpken, IFITT Treasurer
- Steve Hood, Relations with Industry
- Emanuele Mele, IFITT General Secretary

I seize the opportunity to thank [Barbara Neuhofer](#), for her great dedication as Treasurer and IFITT Next Generation director; and [Nadzeya Kalbaska](#), for her fantastic contribution as IFITT General Secretary.
